THE latest and by far the most important improve-ment in Photography is the recently patented pic-ture known as the SPHEREOTTPE, which is not only ture known as the SPHEREOTTPE, which is not only new and unlike any of its profecessors, but greatly fuperior is all. The Sphereotype is proof against TIME, are and water, and for richness of tone, warmth of expression and distinctness has to equal—in fact the il knism is such that the picture, or image, srems suspended in air, entirely independent of the back ground. For this picture we have the exclusive right for Memphis. Specimens can be seen in our Gallery, where pictures are also taken in the various style- by our Artist, PROF.
